Columbus Stockade Blues

Key of G

Woody Guthrie

Chorus

```
        G
Way down in Columbus, Georgia,
  D7                          G
wanna go back to Tennessee
        G
Way down in Columbus stockade,
     D7                                G
my friends all turned their backs on me
```

Chorus:

```
                    C                              G
(Well you can) go and leave me if you wish to
  C                           D7
Never let me cross your mind
                    G
(For) in your heart you love another
D7                                     G
Leave me, little darlin', I don't mind
```

Last night, as I lay sleeping
I dreamed I held you in my arms
When I awoke, I was mistaken
I was peeping through these bars

Chorus

Many a night with you I've rambled
Countless hours I have spent
I thought I had, your love forever,
But now I find it was only lend.
