Columbus Stockade Blues

Woody Guthrie

Chorus
```
      C
```
Way down in Columbus, Georgia,
```
  G7                        C
```
wanna go back to Tennessee
```
        C
```
Way down in Columbus stockade,
```
    G7                          C
```
my friends all turned their backs on me

Chorus:
```
                  F                    C
```
(Well you can) go and leave me if you wish to
```
  F                    G7
```
Never let me cross your mind
```
              C
```
(For) in your heart you love another
```
G7                        C
```
Leave me, little darlin', I don't mind

Last night, as I lay sleeping
I dreamed I held you in my arms
When I awoke, I was mistaken
I was peeping through these bars

Chorus

Many a night with you I've rambled
Countless hours I have spent
I thought I had, your love forever,
But now I find it was only lend.
