

Forty Years of Trouble

Key of G

Troy Spencer

 G C
Forty years I've been gone
 G D
I served my time it's been so long
 G C
I took a life I know it was wrong
 G D G
I served my time lord knows I'm going home

Chorus:

 G C
Shackled to a ball and chain
 G D
I worked in the snow I worked in the rain
 G C
I laid the tracks never rode the train
 G D G
Forty years of suffering forty years of pain

I had a wife and a little queen
I've had a son I've never seen
All I have left now it seems
Is a broken heart and broken dreams

(Chorus)

Now I'm old, I've done my time
Ain't nothin left but to sit and pine
Nobody here even knows my name
I have no one but myself to blame

(Chorus)
