

Girl From West Virginia

Key of A

A D
She told me that her name was Jenny
A E
She lived in a cabin on the hill
A D
In a coal mining town in West Virginia
E A
I love Jenny and I guess I always will

Chorus:

I thought I would always want to ramble
I thought I would never settle down
Well I meet her in the hills of West Virginia
In the heart of a coal mining town

- Breaks -

I like the sound of the coal trucks
Back in the hills a hauling coal
With the beautiful mountains all around me
West Virginia you have won my heart and soul

Chorus

Tag: In the heart of a coal mining town
