

I'd Rather Be Alone lyrics

Key of B

CHORUS

B F#
I'd rather be alone and have you dream of me only
B
Than have you say you're sorry that we are apart
F#
I'd rather be alone and have you dream of me only
B
Than to be in your arms but never in your heart

B F#
Well I've just received your letter you asked me to come home
B
You say you're sorry that you went away
F#
This is an old old story and I've heard it all before
B
So darlin' this is all that I can say

CHORUS

BREAK

B F#
I tried so hard my darlin' to make you love me then
B
Cause you would always leave me here alone
F#
Although I could forgive you things would be the same
B
Nothing could change your heart of stone

CHORUS

Bonnie sings in the key of C and Alan sings low harmony
