I'd Jump the Mississippi

B
I been lonely much too long
E
I'd give a Yankee dime if you come back home
B   F#
Honey, won't you let me hold you tight
B
Tears keep a fallin', my eyes are blurred
      E
If I had the wings of a pretty little bird
B   F#   B
I would fly right to your arms tonight

Chorus:
E
I'd jump the Mississippi deep and wide
   B
If you was a waitin' on the other side
                                       F#
Honey, just to hug and hold you tight
B
I'd jump across and never get wet
E
Right there by your side I'd set
B   F#   B
Yes, indeed everything would be alright

B
If you would come back home to me
E
Make me happy like I used to be
B   F#
I'd start and meet you halfway
B
I'd leave here and never look back
E
I'd run a mile in a minute flat

```
B              F#           B
```
To get to you before the end of day

Chorus
