I'd Jump the Mississippi

C
I been lonely much too long
F
I'd give a Yankee dime if you come back home
C   G
Honey, won't you let me hold you tight
C
Tears keep a fallin', my eyes are blurred
     F
If I had the wings of a pretty little bird
C   G   C
I would fly right to your arms tonight

Chorus:
F
I'd jump the Mississippi deep and wide
  C
If you was a waitin' on the other side
                           G
Honey, just to hug and hold you tight
C
I'd jump across and never get wet
F
Right there by your side I'd set
C   G   C
Yes, indeed everything would be alright

C
If you would come back home to me
F
Make me happy like I used to be
C   G
I'd start and meet you halfway
C
I'd leave here and never look back
F
I'd run a mile in a minute flat

```
C              G           C
To get to you before the end of day
```

Chorus
