

It'll Be Me

Key of G

Delia Bell and Bill Grant

G C
Well tonight when you lay lonely in your king sized bed

D G
With a hunger inside that you can't see

C
Well I'll be in the empty place there lying next to you

D G
And when your phone don't ring, it'll be me

Chorus:

C G
It'll be me not calling you, crying like I used to do

D G
Crawling on my hands and knees

C G
It'll be me not on the phone begging let me come back home

D G
When your phone don't ring it'll be me

G C
Well tonight I'll be the car not in your driveway

D G
And you'll wonder where on earth I can be

C
It'll be my footsteps you don't hear in the hallway

D G
And when your phone don't ring, it'll be me

Chorus
