## Chorus:

Long gone is how I'm leavin'  
Long gone, why do you cry  
This is what you wanted baby  
So I'm gone, long gone

I have tried to make you happy  
Still you say I've done you wrong  
This is it, we're through forever  
So I'm gone, long gone

Please don't try to overtake me  
What I ride will be too fast  
This it, we're through forever  
I'm gone and free at last

Please don't shed no tears at parting  
For your tears will not atone  
After all the pain you caused me  
I'm gone, long gone
