

Louisville

Key of Bb

Recorded by Jan Browne

Bb F
I've been waiting here in Louisville
Bb
Lots of time to kill, waiting here for you
F
And I had to get a job in Louisville
Bb
Because my hotel bill was six weeks overdue

Chorus:

Eb Bb Eb Bb
You called to say you're leavin, that Kentucky was half way
F
I love the run down river town, I never meant to stay
F
And I've been waiting here in Louisville
Bb
Now you've got until my bus leaves for L.A.
F
Let's not fool ourselves, there's something wrong
Bb
You don't belong to me now I can tell
F
Six long weeks it took, but it's a guess
Bb
You've never meant to come to Louisville.

Chorus

Eb Bb Eb Bb
You called to say you're leavin, that Kentucky was half way
F
I love the run down river town, I never meant to stay
F
Six long weeks it took, but it's a guess
