

One Step, Two Step

Recorded by Brandon Rickman

Key of A

Chorus:

A E
Well its one step, two step out the door she goes
E A
Heading for the dance theyre having somewhere down the road
A E
Shell take a swig and dance a jig and really show herself
E A
Tearing up that dance floor until well past twelve

Now Ima Jeans the prettiest thing that Ive ever saw
Wanted by every man in town, me the most of all
On Saturday night youll find her down at old Bucks dancin hall
Turnin mens heads, driving women up the wall

Chorus

She spends all her money on dress and dancing shoes
But oh what a knockout this Saturday afternoon
A dollar for all the times that she was asked and wed
Would cover up this dance floor but yes she never said

Chorus

Now all that fun in getting old has finally got her down
The Doc came by today to make his final round
Do you have a last request, I have only one
Take me to that dance floor to show you how its done

Chorus

Repeat Chorus
