

Ring The Bell

G G7
 In the road was a bell in the bell was a sound
 C G
 Of days that have come and gone
 And the road ran to a little town on the hillside
 D7 G
 Where the word of the Lord lives on

Chorus:

Ring the bell (ring the bell) ring the bell
 C G
 (Ring the bell) ring the bell both far and wide
 You can hear it on the mountain
 And down across the valley
 D7 G
 Ring the bell and go to His side

G7
 Well I followed it down from the forest to the town
 C G
 In the darkness in dead of night
 There were children dancing there with flowers in their hair
 D7 G
 And the streets were lit with candle light

Chorus

G7
 Now the farmer and the teacher and the barber and the preacher
 C G
 All held hands and moved as one
 The holy words of some not spoken of a circle unbroken
 D7 G
 And the spirit moved in everyone

Chorus

G7
 In the middle of the street I fell down hard on my knees
