

Shady Grove

Key of A

Chorus:

A

Shady grove my little miss

Shady grove my darlin

Shady grove my little miss

E A

Goin' back to Harlan

A

Well, coffee grows on white oak trees

The river flows with brandy

The rocks on the hills are covered with gold

E A

The girls a sweeter than candy

Chorus

A

Well, every time I walk that road

It's always dark and cloudy

Every time I see that gal

E A

I always tell her howdy

Chorus

A

Well, I went down to Shady Grove

She asked me in for supper

Stubbed my toe on the table leg

E A

And ran my nose in the butter

Chorus

A

Well, Her checks are red as the blooming rose

Her smile is always sunny

She's the darlin of my heart
E A
Love her better than honey
