Key of Bb

Recorded by Ricky Skaggs

Written by Earl Scruggs

Chorus:

Bb Eb Bb
Somehow tonight I feel lonely my darling

F7
Somehow tonight I feel blue
Bb Eb Bb
Somehow tonight these tears of mine keep falling
F7 Bb
Come back sweetheart and be true

Eb Bb
I thought you're love was something I could treasure
F7

To brighten my pathway through the years
Bb Eb Bb
Now all I can see is darkness in the future
F7 Bb
That's why I long to have you near

Chorus

-Breaks -

Eb Bb
I never knew what loneliness meant darling
F7

Until I watched you walk away
Bb Eb Bb
I long to hear you whisper that you love me
F7 Bb
I can't forget our happy days
