Now don't forget me little darling while I'm growing old and gray

Just a little thought before I'm going far away

I'll be waiting on the hillside where the wild red roses grow

On the sunny side of the mountain where the rippling waters fall

Now don't forget about those days we courted many years ago
Don't forget all the promises you gave me and so
Cuz' I'll be waiting on the hillside^ on the day that you will call
On the sunny side of the mountain where the rippling waters fall

Please tell me darling in your letter do you ever think of me
Please answer little darling tell me where you can be
It's been so long since I've seen you but my love still lingers on
Don't forget me little darling though our love affair seems gone
