

Way Down Deep

Key of G

Max Troy Barnes, Max D. Barnes

G C G
This highway of heartache is rocky and rough

D7 G
And I learned a long time ago

C G
You can't build a fire from the ashes of love

D7 G
And roses don't bloom in the snow

Chorus:

C G
Down deep inside my soul

G D7
Where once it was cold and dark

G C G
I feel your love take a hold

D7 G
Way down deep in my heart

- Breaks on Chorus -

C G
You were my light on the darkest of days

D7 G
Though storm clouds were raging within

C G
Slowly but surely the clouds rolled away

D7 G
And the sun started shining again
