

Weary Blues

Hank Williams

Key of C

Chorus:

C F C
Weary blues from waiting
D7 G7
Lord I've been waiting too long
C F C
These blues have got me crying
G7 C
Oh sweet mamma please come home

C F C
The snow falls around my window
D7 G7
But it can't chill my heart
C F C
God knows it died the day you left
G7 C
My dream world fell apart

(Repeat Chorus)

C F C
Through tears I watch young lovers
D7 G7
As they go strolling by
C F C
Oh all the things that might have been
G7 C
God forgive me if I cry

(Repeat Chorus)
