

For We Wish You Music

For we wish you music,
as you go your way
May a song that cheers you
be with you ev'ry day.
For we wish you laughter,
happiness and rest,
With the golden gift of melody,
may all your years be blest.

For we wish you music
as you go your way,
Music with you ev'ryday
And in your heart a joyful song
that sings your whole life long

For we wish you music,
as you go your way
May a song that cheers you
be with you ev'ry day.
For we wish you laughter,
happiness and rest,
With the golden gift of melody,
may all your years be blest.
And in your heart a joyful song
that sings your whole life long
