

# God Bless America

15

~~While the storm clouds gather far across the sea  
Let us swear allegiance to a land that's free,  
Let us all be grateful for a land so fair,  
As we raise our voices in a solemn prayer.~~

God bless America, land that I love.  
Stand beside her, and guide her  
Through the night with a light from above:  
From the mountains, to the prairies,  
To the oceans, white with foam  
God bless America, my home sweet home.  
God bless America, my home sweet home.
