

# Side By Side

Oh, we ain't got a barrel of money  
Maybe we're ragged and funny  
But we travel along, sing-in' our song  
Side by side

Don't know what's com-in' tomorrow  
Maybe it's trouble and sorrow  
But we travel the road, share-in' our load  
Side by side

Through all kinds of weather  
What if the sky should fall  
Just as long as we're together  
It doesn't matter at all

When they've all had their quarrels and parted  
We'll be the same as we started  
Just travel-in' along, sing-in' our song  
Side by side
