

Wild Mountain Thyme

G C G
O the summer time has come
C G
And the trees are sweetly bloomin'
C G Em {step down from G to Em)
And the wild mountain thyme
C Am C
Grows around the bloomin' heather
G C G
Will ye go lassie go?

CHORUS

C G
And we'll all go together
C G Em
To pull wild mountain thyme
C Am C
All around the bloomin' heather
G C G
Will ye go lassie go?

G C G
I will build my love a bower
C G
By yon cool crystal fountain
C G Em
And round it I will pile
C Am C
All the wild flowers o' the mountain
G C G
Will ye go lassie go?

CHORUS

Will range through the wilds
 C G
 And the deep glen sae dreamy
 C G Em
 And return wi' their spoils
 C Am C
 Tae the bower o' my dearie
 G C G
 Will ye go lassiego?
 C G

CHORUS

If my true love she'll not come
 C G
 Then I'll surely find another
 C G Em
 To pull wild mountain thyme
 C Am C
 All around the bloomin' heather
 G C G
 Will ye go lassiego?
 C G

CHORUS
