

## HANUKKAH SHALOM

Long ago in Israel, the land wasn't free. Centuries of liberty had ceased to be.

When the family of Maccabees gave chase to the foe  
to restore freedom long ago.

Many years the Hebrew people fought for the right, battling the Syrians  
both day and night.

At the end they cleansed the temple and rekindled the light,  
and restored freedom long ago.

Shalom, shalom, shalom Aleichem, shalom; Hanukkah shalom, shalom,  
shalom. Hanukkah, Hanukkah shalom.
