

# I'LL REMEMBER YOU

Vamp: C Am Dm G7

**C**                    **Em// Ebm// Dm//**

I'll remember you

**F**            **Fm**            **C**            **A7**

Long after this endless summer has gone

**Dm**            **Fm**                            **Dm**            **G7**            **C** **Am, Dm, G7**

I'll be lonely , Oh so lonely Living only to remember you

**C**                    **Em// Ebm// Dm//**

I'll remember you

**F**            **Fm**            **C**            **A7**

Your voice as soft as a warm summer breeze

**Dm**                            **Fm**                            **Dm**            **G7**

Your sweet laughter Mornings after ever after too

**C**

I'll remember you

**Bridge:**

**C7**                            **F** **D7**                            **G7**

To your arms someday I'll return to stay Till then

**C**                    **Em//Eb//Dm//**

I WILL REmember, too

**F**            **Fm**                            **C**            **A7**

Every bright star we made wishes upon

**Dm**                            **Fm**                            **Dm**                            **G7**

Love me always, promise always ooh ooh ooh ooh ooh

**C**    ( **C7 to bridge** )

You'll remember too    ( **G7 to ending** )

**C** **G7**                            **C**

**Ending:** I'll remember you I'll remember you
