

## SAN FRANCISCO BAY BLUES

I got the blues from my babe, left me by the San Francisco Bay.

The ocean liner's gone so far away.

I didn't mean to treat her so bad, she was the best girl I ever had.

Said goodbye, she like to make me cry...wanna lay right down and die.

I haven't got a nickel and I ain't got a lousy dime.

If she don't come back, I think I'm gonna lose my mind.

If she ever comes back to stay...it's gonna be another brand-new day.

Walkin' with my baby down by the San Francisco Bay.

### **Instrumental break**

Sittin' down looking from my backdoor...wonderin' which way to go-o-o-o

Woman I'm so crazy about...she don't love me no more.

Think I'll catch me a freight train, cuz I'm fee—eel—in' blue.

Ride all the way to the end of the line...thinkin' only of you.

Meanwhile livin' in the city...just about to go insane

Thought I heard my baby, Lord, the way she used to call my name.

If she ever comes back to stay...it's gonna be another brand-new day.

Walkin' with my baby down by the San Francisco Bay.

Walkin' with my baby down by the San Francisco Bay hey, hey, hey he-e-ey

Walkin' with my baby down by the San Francisco Ba-a-a-a-ay.
