Frankie Avalon

Hey, Venus, oh, Venus. Venus, if you will,  
Please send a little girl for me to thrill,  
A girl who wants my kisses and my arms,  
A girl with all the charms of you.

Venus, make her fair,  
A lovely girl with sunlight in her hair,  
And take the brightest stars up in the skies  
And place them in her eyes for me.

Venus, goddess of love that you are,  
Surely the things I ask can't be too great a task.

Venus, if you do  
I promise that I always will be true.  
I'll give her all the love I have to give  
As long as we both shall live.

Venus, goddess of love that you are,  
Surely the things I ask can't be too great a task.

Venus, if you do, I promise that I always will be true.  
I'll give her all the love I have to give  
As long as we both shall live.

Hey, Venus, oh, Venus. Make my wish come true.

"Venus" was Frankie Avalon's first number-one hit on the Billboard Hot 100 chart, where it spent five weeks atop the survey. The song also reached number ten on the R&B chart. In 1976, Avalon released a new disco version of "Venus." This helped revive the singer's career, as his success had been waning prior to its release. It was Avalon's last Billboard Hot 100 hit.
