Dance Upon this Earth

CHORUS: I'm gonna dance upon this earth

I'm gonna find joy in all this madness

I'm goin' to be the one that you see

Living here, now, feeling free

I have always been a dreamer,
since I was a little girl

And someone's always trying to change me

That can't happen now, I'll do what I please

CHORUS: I'm gonna dance upon this earth

I'm gonna find joy in all this madness

I'm goin' to be the one that you see

Living here, now, feeling free

I remember from my childhood,

Words my mother said to me.

"Always try to think of others,

Stop suffering in this world. We should all be free."

CHORUS: ^C I'm gonna dance upon this earth ^F

^{G7} I'm gonna find joy in all this madness ^C

^C I'm goin' to be the one that you see ^F

^{G7} Living here, now, feeling free ^C

^F I'm so tired of feeling ^C angry

^F And holdin' someone else's ^C shame

^F In a world so cold and full of ^C sorrow

^{G7} I'm gonna find a way

^{G7} I'm going to break these chains

CHORUS: ^C I'm gonna dance upon this earth ^F

^{G7} I'm gonna find joy in all this madness ^C

^C I'm goin' to be the one that you see ^F

^{G7} Living here, now, feeling free ^F

^{G7} Dancing on this earth

^{G7} Dancing on this earth

^{G7} Dancing on this earth is a part of me
