

Pennies From Heaven

F Am Gm7 C7

Oh every time it rains it rains pennies from heaven

F Am Gm7 C7

Don't you know each cloud contains pennies from heaven

F7 Bb

You'll find your fortune fallin' all over town

G7 C7
Be sure that your umbrella is upside down

F Am Gm7 C7
Trade them for a package of sunshine and flowers

F7 Bb
It you want the things you love you must have showers

So when you hear it thunder don't run under a tree

Gm7 G7 C F
There'll be pennies from heaven for you and me
