

# Twilight Time

## Verse 1:

C/// Heavenly shades of night are falling, E7/// % it's twilight time  
 Am/// Out of the mist your voice is calling, C7/// % it's twilight time  
 F/ % When purple / colored curtains C/ mark the end of / day  
 I D7/// hear you, my dear, at twilight Dm7 G7/ time

## Verse 2:

C/// Deepening shadows gather splendor E7/// % as day is done  
 Am/// Fingers of night will soon surrender C7/// % the setting sun.  
 F/ % I count the / moments, darling, C/ til you're here with / me,  
 To- D7/ gether, at G7/ last, at twilight C/// time

## Bridge:

E7/// Here in the E7/// afterglow of the day  
 We Am// keep our rendezvous, Dm be- Am neath Dm the Am/ blue  
 D7/// Here in the D7/// sweet and same old way, 2213 0212 34344535  
 I G7// fall in love again, as I did / then.

## Verse 3:

C/// Deep in the dark your kiss will thrill me E7/// % like days of old,  
 Am/// Lighting the spark of love that fills me C7/// % with dreams untold,  
 F/ % Each day I / pray for evening, C/ just to be with / you,  
 [First ending] To- D7/ gether at G7/ last at twilight C/// time.

[Repeat bridge] [Repeat verse 3] [Second ending with big slow down]

To- D7/ gether at G7/ last at twilight C/ time.

A7 / To- D7 gether % at G7/ last at twilight C time.
