

OLD BONES

Old bones inside this old raincoat

Old bones inside these old shoes

Old friends at my hotel, come by to wish me Well

And bring me up to date with all the news

Sometimes I'll have me a whiskey

And fall asleep in my chair

And dream about a man, much younger than I am

I bet you'd think by now that I wouldn't care

Chorus

But I love life I'd like to do it again

Although I might not be much more than I've been

Just to have the chance to turn back the hands

and make my life begin

Oh yeah, I'd like to do it again

(2nd time) "One more time oh yeah I'd like to do it again"

It's time for taking things easy,

it's time for taking things slow

These bones don't move as fast, as they used to in the past

So if I have to run I simply don't go

Repeat Chorus
