

Our Love Is Here to Stay

Music by George Gershwin, lyrics by Ira Gershwin

It's very clear Our love is here to stay

Not for a year, but ever and a day

The radio and the telephone and the movies that we know

May just be passing fancies and in time may go

But oh my dear Our love is here to stay

Together we're going a long, long way

In time the Rockies may crumble, Gibraltar may tumble

They're only made of clay. But our love is here to stay

Oh, our love, our love is here to stay

Popular song and jazz standard first performed by Kenny Baker in *The Goldwyn Follies* (1938) but became popular when it was sung by Gene Kelly to Leslie Caron in the film *An American in Paris* (1951.)
