

Louisiana Lullaby Dreamland Opens Here

Dreamland opens here, Sweep the dream path
clear!

Listen, chile, now listen well, To what the tortoise may
have to tell,
To what the tortoise may
have to tell!

Dreamland opens here, Sweep the dream
path clear!

Listen, chile, dear little chile, To the song
of the crocodile,

To the song of
the crocodile!

Dreamland opens here, Sweep the dream
path clear!

Listen, chile, now close your eyes, In the canebreak the
wildcat cries

In the canebreak the
wildcat cries!
