

OH LORD I WANT

Oh Lord I want

Two wings to veil my face

Oh Lord I want

Two wings to fan my brow

Oh Lord I want

Two wings to fly away

So the Devil don't do me no harm.

Did He come in the chill of the morning? No.

Did he come in the heat of the noon? No

Did he come in the cool of the evening? Yes

And he washed my sins away

Oh Lord I want

Two wings to veil my face

Oh Lord I want

Two wings to fan my brow

Oh Lord I want

Two wings to fly away

So the Devil don't do me no harm.
