

## I'll Never Find Another You

There's a new world somewhere - they call the promised land.

And I'll be there someday - if you could hold my hand.

I still need you there beside me no matter what I do

For I know I'll never find another you.

\*\* There is always someone for each of us, they say.

And you'll be my someone - forever and a day.

I could search the whole world over - until my life is through

But I know I'll never find another you.

\*\* It's a long, long journey - so stay by my side.

If I walk through the storm  
you'll be my guide, be my guide.

If they gave me a fortune - my pleasure would be small.

I could lose it all tomorrow - and never mind at all.

\*\* But if I should lose your love, dear, I don't know what I'd do

For I know I'll never find another you.

But if I should lose your love, dear, I don't know what I'd do

For I know I'd never find another you
