

"Side By Side

Oh, we ain't got a barrel of money
Maybe we're ragged and funny
But we travel along, singin' our song
Side by side

Don't know what's comin' tomorrow
Maybe it's trouble and sorrow
But we travel the road, sharin' our load
Side by side

Through all kinds of weather
What if the sky should fall
Just as long as we're together
It doesn't matter at all

When they've all had their quarrels and parted
We'll be the same as we started
Just travelin' along, singin' our song
Side by side

Through all kinds of weather
What if the sky should fall
Just as long as we're together
It doesn't matter at all

When they've all had their quarrels and parted
We'll be the same as we started
Just travelin' along, singin' our song
Side by side
