

Angel On My Shoulder

Got an angel on my shoulder
 Got a penny in my pocket
 And I found four-leaf clover
 And I put it in my pocket

Wished on all the stars above me
 Even caught the nearest rainbow
 Gonna find someone to love me
 Gonna find someone to love

*** —Well I tossed a lot of nickels in a wishing well
 And saved the fortunes that the fortune cookies tell
 ---I've got a lucky penny and a mustard seed
 But a warm and tender love is all I need

And I want a love that lingers
 And is stronger through and through
 So I'm gonna cross my fingers
 That I find someone to love me true
 And I'm gonna love them too *** - 1st time back
 And I'm gonna love them too *2nd time ending*
