

Could I Have This Dance

I'll always remember -- The song they were playing,
The first time we danced and I knew

As we swayed to the music -- And held to each other
I fell in love with you

**Could I have this dance For the rest of my life,
Would you be my partner Every night?**

**When we're together It feels so right
Could I have this dance For the rest of my life?**

I'll always remember -- That magical moment
When I held you close to me

As we move together -- I knew forever
You're all I'll ever need

**Could I have this dance For the rest of my life?
Could you be my partner Every night?**

**When we're together It feels so right
Could I have this dance For the rest of my life?**

Could I have this dance For the rest of my life?
