

TRY A LITTLE KINDNESS

If you see your brother standing by the road

With a heavy load from the seeds he's sowed

And if you see your sister falling by the way

Just stop and say you're going the wrong way

****** You've got to try a little kindness**

Yes, show a little kindness

Just shine your light for everyone to see

And if you'll try a little kindness and

Then you'll overlook the blindness

Of the narrow minded people on the narrow minded streets

Don't you walk around the down and out

Lend a helping hand instead of doubt

And the kindness that you show every day

Will help someone along their way

******Repeat Chorus twice ******
