

Tonight You Belong to Me

I know (I know) you belong To somebody new

But tonight You belong to me

Although (although) we're apart You're a part of my heart

But tonight You belong to me

Wait down by the stream How sweet it will seem

Once more just to dream in The moonlight

My honey I know With the dawn That you will be gone

But tonight You belong To me (repeat – from top)

(2nd ending) But tonight You belong To me
slowly --- Just to little old me ---
