

## HAWAIIAN LULLABY

1. Where I live, there are rainbows

With life in the laughter of morning

and starry nights

2. Where I live, there are rainbows

And flowers full of colors and birds filled with song

3. I can smile when it's raining

And touch the warmth of the sun

I hear children laughing in this place that I love

3. Melody - Bridge Instrumental Only.

Back to #2 to End

Where I live, there are rainbows

\*\*\* With life and the laughter of morning

and starry nights \*\*\*

And Starry Starry Nights (Ending)
