

WIND BENEATH MY WINGS (Key of C)

144

VERSE

C F C F
It must have been cold there in my shadow, to never have sunlight in your face
Dm G Dm G
You were content to let me shine; that's your way. You always walked a step behind.

VERSE

C F C F
So I was the one with all the glory, while you were the one with all the strain.
Dm G Dm G
A beautiful face without a name; for so long. A beautiful smile to hide the pain,

CHORUS

Am F C Am F C
Did you ever know that you're my hero, and everything I would like to be?
Am F C Am F C
I can fly higher than an eagle, for you are the wind beneath my wings

VERSE

C F C F
It might have appeared to go unnoticed, but I've got it all here in my heart
Dm G Dm G
I want you to know I know the truth, of course I know it. I would be nothing without you.

CHORUS (Twice)
