A Daisy A Day

Intro - G / / /

He remembers the first time he met her, he remembers the first thing she said /  
He remembers the first time he held her and the night that she came to his bed /  
He remembers her sweet way of sayin', "Honey, has somethin' gone wrong?" /  
He remembers the fun and the teasin' and the reason he wrote her this song /

I'll give you a daisy a day, dear /  
I'll give you a daisy a day /  
I'll love you until the rivers run still  
And the four winds we know blow away / / /

They would walk down the street in the evenin' and for years I would see them go by /  
And their love that was more than the clothes that they wore - -  
Could be seen in the gleam in their eyes /  
As a kid they would take me for candy and I loved to go taggin' along /  
We'd hold hands while we walked to the corner - - /  
And the old man would sing her his song /

Chorus & Break (last 3 lines of verse 2)

Now he walks down the street in the evenin' and he stops by the old candy store /  
And I somehow believe he's believin' he's holdin' her hand like before /  
For he feels all her love walkin' with him and he smiles at the things she might say /  
Then the old man walks up to the hilltop and gives her a daisy a day /

Chorus (repeat last 2 lines)
