C F Fm C C/B Am  
Once in ev'ry life someone comes along;

Am7 Dm Dm7 G C  
And you came to me -- it was almost like a song.

C F Fm C C/B Am  
You were in my arms just where you belong;

Am7 Dm Dm7 G C  
We were so in love -- it was almost like a song.

Bridge:

FM7 Em7  
January through December

Dm7 G7 C C/B Am  
We had such a perfect year;

Em  
Then the flame became a dying ember,

Dm7 G7  
All at once, you weren't here.

C F Fm C C/B Am  
Now by broken heart Cries for you at night,  
And it's almost like a song, Dm Dm7 G C F G  
but it's too sad to write.

C C7 F Fm C C/B Am  
Now my broken heart cries for you at night,

Dm Dm7  
And it's almost like a song,

Am Am7 D7  
But it's much too sad to write,

It's too <sup>Dm7</sup>sad to write. <sup>C</sup>F C
