

DAYS OF MY YOUTH

C Am Dm G7
I could fly like a bird on the wings of the wind
C Am Dm G7
I played in the sun with a joy deep within
C C7 F Fm
I had laughter as a toy and a sweet for my tooth
C G7 A# C
In the beautiful days of my youth

C Am Dm G7
Everyone that I felt was a friend not a foe
C Am Dm G7
The fears I have learned way back then I didn't know
C C7 F Fm
Not one deed meant unkind no one thought I could
C G7 A# C
In the beautiful days of my youth

Am F Am
Now the time quickly pass and the years traveled on
Dm G7
All my hopes and dreams have diminished and gone

C Am Dm G7
Now the child that I face how familiar she seems
C Am Dm G7
She's wearing my eyes and living my dreams
C C7 F Fm
Oh my innocent child I will spread you my truth
C G7 A# C
In the beautiful days of my youth
