

DREAM LOVER

D Bm
Every night I hope and pray a dream lover will come my way

D Bm
A girl to hold in my arms and know the magic of her charms

REFRAIN:

D A7
Because I want (yeah-yeah, yeah) a girl (yeah-yeah, yeah)

D G
To call (yeah-yeah, yeah) my own (yeah-yeah, yeah)

D Bm Em7 A7 D
I want a dream lover, so I don't have to dream alone A///

D Bm
Dream lover, where are you? With a love, oh, so true

D Bm
And the hand that I can hold, to feel you near as I grow old

REFRAIN

D Bm
Someday, I don't know how, I hope she'll hear my plea

D Bm
Some way, I don't know how, she'll bring her love to me

D Bm
Dream lover, until then I'll go to sleep and dream again

D Bm
That's the only thing to do till all my lover's dreams come true

REFRAIN
