Here We Go Again

Spring 07
Judy Sanders

Chorus
Here we/go again, / I love you/so again /
Once more it/starts to end / the moment/it begins /
I thought I'd/never see / your love come/back to me
But/there you stand in/front of me, and/here we go again /

Verse:

It took a/long time for me to/learn to live without you /
When you were/gone . . I thought I'd/laid it all to/rest /
But darlin', /I remember/everything about you /
And the/only thing I'm/learning, is/you are still the/best /

Break = (chorus)

Here we/go again / /

Here we/go again, / I love you/so again /
