# I Can't Stop Loving You

Intro 2-3-4 / <sup>G</sup>/<sub>C</sub> / <sup>D</sup>/<sub>D</sub> / <sup>G</sup>/<sub>C</sub> / <sup>G</sup>/<sub>G</sub>

Chorus:

<sup>G</sup>  
I can't stop/loving you, / so I've made up my/mind / <sup>G</sup>  
 To live in/<sup>D</sup>memories, / of old lonesome/<sup>G</sup>times / <sup>G7</sup>  
 I can't stop/<sup>C</sup>wanting you, / it's useless to/<sup>G</sup>say /  
 So I'll just/<sup>D</sup>live my life in/<sup>G</sup>dreams of yesterday / <sup>C</sup>/<sub>G</sub>  
*point play*  
 Those happy/<sup>C</sup>hours / that we once/<sup>C</sup>knew /  
 Though long ago, / <sup>G</sup>still make me/<sup>A7</sup>blue / <sup>D</sup>  
 They say that/<sup>G</sup>time / heals a broken/<sup>C</sup>heart /  $\rightarrow \rightarrow$   
 But time has stood/<sup>G</sup>still / since we've been <sup>D</sup>apart / <sup>G</sup>/<sub>C</sub>/<sub>G</sub>

Break (chorus)

<sup>G</sup>  
I can't stop/loving you, / so I've made up my/mind / <sup>G</sup>  
 To live in/<sup>D</sup>memories, / of old lonesome/<sup>G</sup>times / <sup>G7</sup>  
 I can't stop/<sup>C</sup>wanting you, / it's useless to/<sup>G</sup>say /  
 So I'll just/<sup>D</sup>live my life in/<sup>G</sup>dreams of yesterday / <sup>C</sup>/<sub>G</sub>
