

I'LL SEE YOU IN MY DREAMS

Though the days are long, twilight sings a song

Of the happiness that used to be

Soon my eyes will close; soon I'll find repose

And in dreams you're always near to me.

CHORUS 1:

I'll see you in my dreams; hold you in my dreams

Someone took you out of my arms, still I feel the thrill of your charms.

CHORUS 2:

Lips that once were mine; tender eyes that shine

They will light my way tonight, and I'll see you in my dreams

INSTRUMENTAL BREAK – CHORUS 1

CHORUS 2:

Lips that once were mine; tender eyes that shine

They will light my way tonight, and I'll see you in my dreams

They will light my lonely way tonight. I'll see you in my dreams.
