

RED SAILS IN THE SUNSET

Words & Music by Jimmy Kennedy & Hugh Williams 1935

© Red sails in the sunset, way out on the sea,

G Oh, carry my loved one... home safely to me

C She sailed at the dawning, all day I've been blue

G Red sails in the sunset... I'm trusting in you

F Swift wings you must borrow,

G7 Make straight for the shore

F We marry tomorrow,

Dm And she goes sailing no more

C Red sails in the sunset... way out on the sea,

G Oh carry my loved one... home safely to me
