

THE PHANTOM OF THE OPERA

Women

In sleep he sang to me, in dreams he came, that voice which calls to me...and speaks my name.

And so I dream again? For now I find...the phantom of the opera is there, inside my mind.

Men

Sing once again with me, our strange duet; my power over you grows stronger yet.

And though you turn from me to glance behind, the phantom of the opera is there...inside your mind.

Women

Think of me, think of me fondly when we've said goodbye.

Remember me once in a while; please promise me you'll try. When you find that once again you long to take your heart back and be free

Men

If you ever find a moment, spare a thought for me.

Think of me, think of me waking, silent and resigned. Imagine me trying too hard to put you from my mind. Ooo

There will never be a day when I won't think of you.

Women

Here in this room he calls me softly, somewhere inside hiding. Somehow I know he's always with me; he, the unseen genius...Christine, you must have been dreaming, stories like this can't come true. Christine, you're talking in riddles, and it's not like you.

Angel of music, guide and guardian, grant to me your glory. Angel of music, hide no longer, secret and strange angel.

Men

Insolent boy, this slave of fashion, basking in your glory. Ignorant fool, this brave young suitor, sharing in my triumph.

Women

Angel I hear you! Speak, I listen. Stay by my side, guide me! Angel, my soul was weak; forgive me! Enter at last, master!

Men/Both

Flattering child, you shall know me; see why in shadow I hide. Look at your face in the mirror! I am there inside.

Angel of music, guide and guardian, grant to me your glory! Angel of music, hide no longer! Come to me, strange angel!

I am your angel of music; come to me angel of music!

Men

Let me be your shelter, let me be your light; you're safe, no one will find you, your fears are far behind you.

Women

All I want is freedom, a world with no more night; and you, always beside me, to hold me and to hide me.

Men

Then say you'll share with me one love, one lifetime; let me lead you from your solitude. Say you need me with you, here beside you. Anywhere you go, let me go too; Christine, that's all I ask of you.

Women

Say you'll share with me one love, one lifetime; say the word and I will follow you.

Men/Both

Share each day with me, each night, each morning. {Say you love me} You know I do.

Love me, that's all I ask of you...Anywhere you go, let me go too; love me, that's all I ask of you.

Men/Both

Wishing you were somehow here again, wishing you were somehow near.

{Sometimes it seemed if I just dreamed}

Ooo

Wishing I could hear your voice again; knowing that I never would

{dreaming of you won't help me to do all that you dreamed I could}

Ooo

Men/Both

Past...the point of no return, the final threshold, what warm unspoken secrets will we learn.

Past...the point of no return, the final threshold; the bridge is crossed, so stand and watch it burn. We've passed the point of no return...He's there, the phantom of the opera. He's there the phantom of the opera; phantom of the opera...Ah Ah Ah.
