Your Cheatin' Heart

<sup>G C7 F</sup>  
Your cheat-in heart, will make you weep;

<sup>G7 C</sup>  
You'll cry and cry, and try to sleep

<sup>G7 ~~D7~~ C C7 F</sup>  
But sleep won't come the whole night through;

<sup>G7 C</sup>  
Your cheatin heart will tell on you.

<sup>C7 F C D7 G</sup>  
When tears come down, like fallin' rain, you'll toss around and call my name

<sup>~~D7~~ C C7 F</sup>  
You'll walk the floor the way I do;

<sup>G7 C</sup>  
Your cheatin heart will tell on you.

<sup>G7 C C7 F</sup>  
Your cheat-in' heart will pine someday

<sup>G7 C</sup>  
And crave the love you threw away.

<sup>G7 ~~D7~~ C C7 F</sup>  
The time will come when you'll be blue;

<sup>G7 C</sup>  
Your cheatin' heart will tell on you.

<sup>C7 F C D7 G</sup>  
When tears come down, like fallin' rain, you'll toss around and call my name

<sup>~~D7~~ C C7 F</sup>  
You'll walk the floor the way I do;

<sup>G7 C</sup>  
Your cheatin heart will tell on you.
